A sexy, high-concept, behind-the-scenes peek at the lives and loves of Seattle Grace's most popular doctors . . .

On ABC's mega-hit Grey's Anatomy, when surgical interns Meredith, Cristina, Izzie, George, and Alex (not to mention neurosurgeon Derek, aka Dr. McDreamy) aren't putting in long hours at Seattle Grace Hospital, they're flirting, gossiping, and drowning their sorrows at the Emerald City Bar. In one location, Nurse Debbie sees it all; in the other, Joe the bartender hears it all . . .

Grey's Anatomy is styled as two books in one -- read from one side to get Debbie's hospital scuttlebutt, and from the other for Joe's alcohol-fueled tidbits. Notes from the Nurse's Station and Overheard at the Emerald City Bar are packed with new information on pivotal events. This is the book the show's millions of fans can't wait to read.
