装帧:Paperback

isbn:9780802130839

John Rechy, recipient of the Publishing Triangle's William Whitehead Lifetime Achievement Award, wrote *City of Night* in 1963. This radical and daring work, which launched Rechy's reputation as one of America's most courageous novelists, remains the classic document of the garish neon-lit world of hustlers, drag queens, and men on the make who inhabited the homosexual underground of the early sixties.
