## 作者介绍:

Eugene Luther Gore Vidal (born October 3, 1925) is an American author of novels, stage plays, screenplays, and essays, and the scion of a prominent political family. He is an outspoken critic of the American political Establishment, and a noted wit and social critic who wrote the ground-breaking *The City and the Pillar* (1948) that outraged mainstream critics as the first major American novel to feature unambiguous homosexuality.

Anticlimactic! So cheeky at first, so fucking annoying in the middle, and what a downer at the end. Brings attention to gender fluidity in a way that can only be seen as deeply satirical. The overturning of traditions is so obviously, fundamentally, stereotypical. Fun Fact: I read the entire book in Divine's voice...
