This special new paperback edition of St. George and the Dragon commemorates the 25th Anniversary of the Caldecott Award-winning picture book. Hodges retells an exciting segment from Spenser's *The Faerie Queene*, in which the Red Cross Knight slays a dreadful dragon that has been terrorizing the countryside for years, bringing peace and joy back to the land. Featuring a fresh new cover design - with artwork that highlights the dragon adventure within - and distinctive embossed gold Caldecott Award sticker, this is the perfect way to introduce the classic tale to a whole new generation of readers.
