A comprehensive guide to the richly detailed BIONICLE universe. Fans have received only glimpses into the characters and backstory of the BIONICLE world through the website and popular comic books, and they're hungry for more. This official guide is filled with information on every BIONICLE character and spectacular full-color CGI art. Fans will love extras that include a BIONICLE glossary, the BIONICLE alphabet, and exclusive teasers to upcoming storylines. A must-have for any collector, this book is the perfect introduction to the BIONICLE toys and the story that lies beyond them.
