Tired of the beauty-pageant circuit, Virginia Sauter tosses her tiara, pierces her nose, and auditions for the most unlikely of roles -- drum major of the high school marching band.

Virginia wins, but is forced to share the title with Drew, whose family has held the position for generations. Sure, Drew is hot, but because of his superior attitude, he and Virginia are constantly arguing. That is, until they share more than just their half-time salute...

But as the drum major's heated competition turns to sizzling romance, explosive rumors threaten everything -- including the band's success. Love seemed to be a sure hit, but Virginia and Drew may be marching straight into disaster.
