Straight from the streets of London, Nails presents 30 dazzling ideas for artfully - or subversively - decorating your nails. Leopard skin on Monday, military camouflage on Tuesday, glow in the dark on Wednesday, gold-studded black lacquer for the weekend--the possibilities are endless. And you don't need to go to a salon to sport fabulous nails--just collect a few outrageous polishes, and expert Pansy Alexander of London's Nails to Go will show you how easy it is to paint and stencil gorgeous, eye-catching designs.
