装帧:Hardcover

isbn:9780977895502

Get more out of your own career and help your organization be more effective!

JOLT will show you how to:

- 1. Measure engagement and factors constraining its development using a Triangulated Analysis approach.
- 2. Increase engagement from all three levels of an organization: individual, work group and the strategic/cultural level!
- 3. Translate the value of changes in engagement into bottom-line dollar and cents value!
