出版者:Penguin (Non-Classics)

出版时间:2006-05-30

装帧:Paperback

isbn:9780143037217

Melissa Bank's debut, *The Girls' Guide to Hunting and Fishing*, was a literary landmark and a runaway bestseller. Now, in *The Wonder Spot*, she reminds us why she has been compared to John Cheever and Raymond Carver. Shaped by Bank's trademark blend of emotional depth and wry humor, *The Wonder Spot* traces the coming-of-age of Sophie, black sheep of the Applebaum family of Surrey, Pennsylvania. As we follow her from the sweet bewildering moments of adolescence through the rigors of life and love in New York City, we are treated to a profoundly intelligent, page-turning triumph that confirms Melissa Bank's reputation as a singular talent.

评论

比作者的第一本书差远了。她原来书里时不时冒出来的无比聪明有趣的句子，在这本书里完全不见了。
