Re: You Hi, honey! It's me, Mom. I know it's a big secret that your friend Holly and her boyfriend Mark are eloping in Italy, and that you and Mark's friend Cal Langdon (the handsome New York Journal reporter with the big book deal) are going, too, as their witnesses. But I just saw Holly's mother at the Kroger Sav-On, and I thought I'd warn you: She doesn't seem to like Mark very much at all. Just wanted to let you know. PS I don't understand why you don't like that nice Cal Langdon! He seemed so smart when I saw him being interviewed on Charlie Rose. And so handsome! PPS Don't forget to wear a sweater! Cartoonist Jane Harris is delighted by the prospect of her first-ever trip to Europe. But it's hate at first sight for Jane and Cal Langdon, and neither is too happy at the prospect of sharing a villa with one another for a week—not even in the beautiful and picturesque Marches countryside. But when Holly and Mark's wedding plans hit a major snag that only Jane and Cal can repair, the two find themselves having to put aside their mutual dislike for one another in order to get their best friends on the road to wedded bliss—and end up on a road themselves ... one neither of them ever expected. Meg Cabot was born in Bloomington, Indiana. She is the author of seven historical romances under the pseudonym Patricia Cabot as well as Boy Meets Girl, The Boy Next Door, She Went All the Way and the bestselling young adult fiction series The Princess Diaries. She lives in New York City with her husband.

Every boy's got one what? Heart...

32岁单身女孩布莱顿在新一年记下每天的日记，期望减肥和爱情。经历了那个坏boss和小男生的失败后，最终嫁给了著名的律师。真为她高兴。

哈哈~名字真暧昧

男人女人相爱的过程吧。通俗易懂。很可爱

再老套的故事。也需要一个结局。

同一作者惯性阅读

Read it years ago, and don't remember much of it.

在感情空虚不顺利的时候看的，纯纯的言情小说~完全是梦想的falling-in-love

plot啊。。。。。。形式很特别，值得一看，不过应该会懒得再看，hi a hia

ROMANCE

书评

文字清新自然，从某种角度上说，真的是女生说话的范本，自己却不敢学，怕本来就不太阳光的自己变成女生的典范……真是可怕呢……

应该算是书信体吧，感觉不错，推荐一下。怪不得她写的公主日记那么出名……

This is just a cute story. As is typical in a Meg Cabot story the whole thing takes place via, email, text messaging, travel journals, website blogs etc, no direct conversations are actually had between any of the characters.

Even most of Meg's books are adapted into chick flicks, her works are tagged as one of those you can't take your eyes off from--- young, sweet and real fresh romance. I got Every Boy's Got One from a street book vendor years ago, but later I slipped my mind...

又一个相信美国是superpower的女人，即便如此也不能歧视移民和外国人，火大。她在自己的书中不断强调中国人穿衣风格80's，看不起意大利人就因为人不穿steve madden。
