著者:Tilley, Christopher 编

出版者:Berg Publishers

出版时间:1994-02-17

装帧:Paperback

isbn:9780854968503

This fascinating volume integrates recent developments in anthropological and sociological theory with a series of detailed studies of prehistoric material culture. The authors explore the manner in which semiotic, hermeneutic, Marxist, and post-structuralist approaches radically alter our understanding of the past, and provide a series of innovative studies of key areas of interest to archaeologists and anthropologists.
