Whimsical watercolors illustrate a comical, cumulative tale of an amorous mouse who aims impossibly high -- and learns that you're never too little (or too big) to love.

Tiny Too-Little loves someone who's very, very tall, and Tiny wants a kiss. What if he stands on his tiptoes on top of a thimble? What if he stands on his tiptoes on top of a matchbox on top of a thimble? Clever cut-away pages show Tiny's precarious pile growing higher and higher, while the object of his affection stays just out of reach. When the teetering stack finally falls with a crash, will his hopes be dashed? How can a tiny mouse get the kiss he needs?
