In the days before the Civil War, there lived a Louisiana people unique in Southern history. Though descended from African slaves, they were also descended from the French and Spanish who enslaved them. Called the Free People of Color, this dazzling historical novel chronicles the lives of four of them--men and women caught perilously between the worlds of master and slave, privilege and oppression, passion and pain.

去新奥尔良之间同事推荐读的，听了一部分没怎么听懂(不知道为啥lol)就放弃了。这次坚持听完了，看了豆瓣也不知道哪儿的简介，大概听懂了故事梗概。Get ur hands dirty with things you love, settle with conflicts and find inner peace. 不是我喜欢的风格，但Audible的有声书读的还是很不错的。
