There will be standing room only for Matt Groening's newest Simpsons Comics collection of comedy classics. </P>

This big, bulky, boffo book will have you bemused, boggled, and beside yourself with belly laughs. Join 'Our Favourite Family' as: Lisa joins a babysitter's union only to uncover an insidious plot against the youth of Springfield; Homer 'steals' Ned Flanders's swimming pool, leading to a full-scale siege on Evergreen Terrace; the whole family's Thanksgiving is threatened by Bart's greed, Lisa's protests and Homer's run-in with crazed, butter-fed turkeys; Lisa explores the subterranean catacombs under Springfield Elementary School; Grampa's ownership of a WWII tank hurtles Springfield towards the brink of destruction; Homer and Moe's other regular customers open a rival bar; Maggie gets a bedroom remodel Homer-style; and Mr Burns's loyal lackey, Waylon Smithers, turns out to be the royal ruler . of Sweden. </P>

You will be rolling in the aisles with this side-splitting, knee-slapping, stand-up comic collection.</P>
