At the core of most marital conflicts lies an overlooked but vicious culprit: disrespect. According to Dr. James Dobson, this symptom is the most serious indicator of potential family breakup. In his groundbreaking classic that popularized the "tough love" principle, Dr. Dobson offers practical help for the spouse who wants to hold the marriage together. He shows how to rekindle romantic interest and draw the offending partner back home. For new generations faced with ever-increasing threats to stable and loving bonds, Love Must Be Tough offers realistic hope.
