A Book of the Month Club Selection, and winner of the Broadway Theatre Institute and Benjamin Franklin awards, *The Everyday Work of Art* has earned a wide, varied and passionate following in the arts, education, business, and spiritual communities. Its wide appeal springs from its unique and powerful redefinition of art. This is more than

the "nouns" of art that fill museums and concert halls. This is the art in which all people engage in bits and pieces throughout the day whenever we use the same "verbs" of art that artists use. The Everyday Work of Art illuminates the artistry we all practice, and it enables us to reclaim the fun and satisfaction that is already happening unnoticed right under our noses. Discover why Yo-Yo Ma calls this book "a joy to read" and why critics, celebrities, artists, educators, philosophers, students and parents have become enthusiastic readers and practitioners of The Everyday Work of Art.

书评

这是一本所谓的自助性图书，是一本力图打通艺术与生活，有一定的操作性的实用书，“艺术欣赏是一门实用的课程”，书中有很具体的建议。正副标题都不如原文标题明了：艺术的日常工作。“此书的目的在于恢复人们心中与生俱来的艺术创造力，与世界的灵物进行交流。”“如果我们...
