Completely revised for the new computerized CPA Exam Published annually, this comprehensive, four-volume study guide for the Certified Public Accountants (CPA)

Exam arms readers with detailed outlines and study guidelines, plus skill-building problems and solutions, that help them to identify, focus, and master the specific topics that need the most work. Many of the practice questions are taken from previous exams, and care is taken to ensure that they cover all the information candidates need to pass the CPA Exam. It is broken down into four volumes: Regulation, Auditing and Attestation, Financial Accounting and Reporting, and Business Environment and Concepts. The top CPA Exam review system worldwide, these study guides: * Provide more than 2,700 practice questions and complete information on the new simulation questions * Contain a unique modular structure that divides content into self-contained study modules * Include AICPA content requirements and three times as many examples as other study guides O. Ray Whittington, PhD, CPA, CMA, CIA (Chicago, IL), is the Ledger and Quill Director of the School of Accountancy at DePaul University and author of bestselling books in the Wiley CPA Examination Review system. Patrick R. Delaney, PhD, CPA, was the Arthur Andersen LLP Alumni Professor of Accountancy at Northern Illinois University and the author of bestselling books, audios, and software in the Wiley CPA Examination Review system.
