From the author of the enormously successful "Graffiti World" comes this spectacular follow-up, celebrating the contributions of women to contemporary graffiti and street art. Female writers have always been in the vanguard of the graffiti movement, though often shunted to the sidelines by their male counterparts. This exhaustive volume places them front and center, featuring 1,000 full-color illustrations from some of the world's most prominent artists, including Brazil's Nina, Japan's Sasu, Mexico's Peste, and the Americans Lady Pink, Swoon, and Miss 17. Two eight-page fold-out collages, a fold-out poster jacket, and an authoritative text round out the impressive package. The

first and only comprehensive survey of its kind, this book is sure to attract and expand upon the wide and enthusiastic readership that made "Graffiti World" such a runaway success.
