Kentucky State Treasurer Jonathan Miller shows the ten nonpartisan values--ranging from Opportunity to Security--that all Americans share, and uses Old Testament stories to highlight them. As an elected official in a "red" and largely Christian state, he has come to understand that although faith is often the source of divisiveness, the language of faith can bring Americans together. Inspiring stories from the Hebrew Bible illustrate Miller's plan to form a compassionate community. He shows that these lessons have the power to strengthen our country for future generations.
