著者:Stephen Kittredge Cunningham

出版者:The Wine Appreciation Guild

出版时间:2004-09

装帧:Plastic Comb

isbn:9781891267758

The number-one, best-selling drink recipe book is updated in this new edition and has 100 new drinks; an expanded martini section (200 total) with tips, techniques and secrets (and a salute to the Big Apple); a huge list of dessert drinks and a piece on the world's finest Cognac; a philosophical discussion on, and inventory of, Flavored Vodkas, Gins and Rums; and drinks that take a new slant on Floaters, Shooters and Layered Drinks.

That brings the complete drink count to 2,700. That's well over a thousand more than any other pour book.

This new edition also has an expanded wine section with Robert M. Parker's, Jr. "Wine Vintage Guide," "Parker Speaks on Wine," and Parker's glossary of wine terms.

Of course this book still has all its good old features: an index by ingredients, in depth mixing instructions, metric conversion tables, a list of every possible garnish, sections on hot drinks, frozen drinks, beers, ales, lagers, and "malternatives," and S.K.C.'s "Glossary of Club, Restaurant and Bar Terms, and Slang." (Sample Below.)

Weisenheimer(n): slang, an obnoxious person; someone who thinks their banter is clever or humorous, even though others may not.

Wounded Soldier (n): a beer that has been opened, partially consumed and left to die. See Soldier, and Dead Soldier.
