Seventeen spectacular homes nestled on the Pacific coast of Mexico are featured in gorgeous detail in Pacific Coastal Homes. These homes represent some of the best work of noted architects such as Fernando de Haro, Enrique Zozaya, Manuel Mestre,

and Marco Aldaco. Sections cover Natural Impressions -- entrances and exteriors; Interior Style -- living rooms and dining rooms; Intimate Spaces -- bedrooms and bathrooms; and Outdoor Life -- pools and terraces. In the introduction are images from Careyes, where the palapas architecture was first used for these types of homes. 200 color photographs are featured.
