Over 200 celebrities. 61 sunglasses. 44 tongues. 28 goofy faces. 15 middle fingers. 14 blown kisses. 12 heavy metal signs. 8 threesomes. 5 nosepickings, 2 nipples, and 1 bare ass. Enter the secret space of MTV's world-famous Times Square studio photobooth and see what only the camera has as you stare straight into the faces--and some other body parts we can't mention here--of your favorite stars. You've seen them on TRL, DFX and other MTV programs, but you've never seen them like this, vamping, posing,

giggling, and goofing in strip after outrageous four-photo strip. From Jennifer Lopez to Janet Jackson, Ozzy Osbourne to Blink 182, and Mike Myers to Madonna, MTV Photobooth brings you face-to-face with your favorite stars.
