Julian of Norwich is among the most intriguing religious visionaries in Christian history. Carefully edited for the undergraduate reader, this Norton Critical Edition includes an informed introduction, focusing on Julian's theology and preparing students to understand the complex, controversial themes of the text, particularly Julian's solution to the problem of evil in Revelation XIII and XIV. Paragraph divisions have been organized to emphasize the thematic units of each chapter, and the sentences have been punctuated for clarity. The text included is a Middle English edition, based on the Paris manuscript (1580—1650) of the long text, with language akin to Chaucer's and therefore more accessible than other Middle English editions. "Contexts" includes contemporary texts that help students better understand Julian's originality, including selections from works by Margery Kempe, Augustine, Aelred of Rievaulx, and Walter Hilton. "Criticism" brings together interpretations that address the themes and style of the Showings by Sandra McEntire, Lynn Staley, B. A. Windeatt, and David Aers, among others. A Selected Bibliography is also included. About the Series : No other series of classic texts equals the caliber of the Norton Critical Editions . Each volume combines the most authoritative text available with the comprehensive pedagogical apparatus necessary to appreciate the work fully. Careful editing, first-rate translation, and thorough explanatory annotations allow each text to meet the highest literary standards while remaining accessible to students. Each edition is printed on acid-free paper and every text in the series remains in print. Norton Critical Editions are the choice for excellence in scholarship for students at more than 2,000 universities worldwide.

作为一名天启式作者朱丽安婶婶你也太啰嗦了吧，从前读现代英语译本还不觉得。。。不过书末的essay都很棒

.....希望这已经是这学期最糟阅读体验了==

“But I am a woman, ignorant, weak, and frail. I am nothing but the mouth and the messenger of God, the supreme teacher.” Julian是为数不多的female prophet，因此将Lord Jesus当作既是神也是爱人的special revelation 还是第一次读到。好吧，我猜我们无论如何都是被爱着的，苦难都是解药，要有耐心。ps. 小论文竟然是以Julian的口吻给我唯一信服的Epicurus 写信，教授很会折磨人了。
