著者:James Conant

出版者:Routledge

出版时间:2001-12-28

装帧:Hardcover

isbn:9780415256056

One of the most influential contemporary philosophers, Hilary Putnam's involvement in philosophy spans philosophy of mind, philosophy of language, ontology and epistemology and logic. This edited volume explores Putnam's contribution to the contemporary realist and pragmatist debate and includes Putnam's comments on each issue raised.</P>
