isbn:9780446673075

Now, drawing on in-depth interviews with hundreds of the nations chief executive officers, author and international executive development expert D.A. Benton reveals the vital traits that every executive must have to make it to the top. Readers will discover how to: make contributors know without looking like a braggart, learn boundaries, and when to go outside them. Prepare for uncertainty and the unexpected, without loosing it, hire people smarter than you, so theyre worth fighting for, be thankful for problems, and more,
