One of Western literatures most glorious and incisive satires now in a brilliant new translation with a bold new cover by Chris Ware

With its vibrant new translation, perceptive introduction, and witty packaging, this new edition of Voltaire's irreverent, tragicomic masterpiece belongs in the hands of every reader pondering our assumptions about human behavior and our place in the world. Candide tells of the outrageous adventures of the naïve Candide, who doggedly believes that all is for the best even when faced with injustice, suffering, and despair. Controversial and entertaining, Candide is a book that is vitally relevant today in our world pervaded by a mania for insisting that all is well when all is by no means well.

we must cultivate our garden

Man was born to live either in a state of distracting inquietude or of lethargic disgust, so let us cultivate our garden.

法国人车开得太快了…

看似喜剧，被从乐观世界里一步步踹出来的甘地得就是那个时代迷失了的人们的写照。每一次社会的改革与进步迷失的永远都是普通的百姓。

很讽刺的一部小说

隔着纸张都能感受到伏尔泰的吐沫星子
