

Knowledge-Based Clustering

[Knowledge-Based Clustering_ 下载链接1](#)

著者:Witold Pedrycz

出版者:Wiley-Interscience

出版时间:2005-01-28

装帧:Hardcover

isbn:9780471469667

- * A comprehensive coverage of emerging and current technology dealing with heterogeneous sources of information, including data, design hints, reinforcement signals from external datasets, and related topics
- * Covers all necessary prerequisites, and if necessary, additional explanations of more advanced topics, to make abstract concepts more tangible
- * Includes illustrative material and well-known experiments to offer hands-on experience
