

The Economics of Commercial Property Markets

[The Economics of Commercial Property Markets_ 下载链接1](#)

著者:Michael Ball

出版者:Routledge

出版时间:1998-11-01

装帧:Paperback

isbn:9780415149938

This new text provides a rigorous analysis of the economics of real estate markets. It goes beyond the often descriptive nature of much property market analysis to focus on important theoretical principles. Throughout, the emphasis is on making an often complex area as accessible and readable as possible, with each chapter containing a boxed summary and questions for self-testing or discussion.</P>
