著者:James Vander Zanden

出版者:Mcgraw-Hill College

出版时间:1989-11-01

装帧:Hardcover

isbn:9780075571902

This introductory text, acclaimed for its comprehensive coverage, stimulating features, and friendly prose, now includes a significant new chapter on "A Global Society," a multitude of new boxes, and even more full-color photos and illustrations. Vander Zanden combines an issues orientation with boxed inserts, using real world examples to teach students how to think logically and sociologically.
