First published in 1884, Mark Twain's "The Adventures of Huckleberry Finn" is a masterpiece of world literature. Narrated by Huck himself in his artless vernacular, it tells of his voyage down the Mississippi with a runaway slave named Jim. As the two journey downstream on a raft, Huck's vivid descriptions capture the sights, smells, sounds, and rhythms of life on the great river. As they encounter traveling actors, con men, lynch mobs, thieves, and Southern gentility, his shrewd comments reveal the dark side of human nature. By the end of the story, Huck has learned about the dignity and worth of human life-and Twain has exposed the moral blindness of the "respectable" slave-holding society in which he lives. Huckleberry Finn was Twain's greatest creation. Garrison Keillor approaches it with the respect and affection it deserves. "This is an abridgement of Mark Twain's book, keeping the parts I loved as a boy-Huck's story, the big river at night, the boasting of the raftsmen, the Duke and the Dauphin, the lynching, the feud-and lopping off the last third of the book, where Tom Sawyer comes in and makes a big production of freeing Jim. I had Huck free him instead. If you enjoy the reading, I am sure Mr. Twain will forgive me." -Garrison Keillor

伐开心 三个星期才看下来 老师5分钟就把故事串完了

各种美国老南方俚语。从国人角度看，不比莎翁的好读懂多少，马克吐温你造么

在教授的讲解下 还是很有意思的
