Her books have sold over 100,000 copies in the United States and her seminars across the country are always sold out. She's the world's foremost authority on window

treatments, and her name is Caroline Wrey. The New York Times wrote, "To Lady Caroline, diamonds are not a girl's best friend, but table clamps, Velcro, and a staple gun are."

Combining her skill as an accomplished seamstress, an artistic eye that takes a dim view of boring curtains, and her experience as a teacher, The Complete Book of Curtains and Drapes is the definitive book on the creation of this most vital element of interior design, inspiring both beginners and experts to create luxurious living environments.
