著者:Akhil Reed Amar

出版者:Yale University Press

出版时间:2000-4-1

装帧:Paperback

isbn:9780300082777

A leading scholar of constitutional law delivers an incisive and brilliant new account of the Bill of Rights and explodes conventional wisdom about our most basic charter of liberty. Akhil Reed Amar not only illuminates the text, structure, and history of the 1789

Bill but also argues that its present character owes more to antislavery activists of the Reconstruction era than to the Founding Fathers who created the Bill.
