Nestling in the gentle hills and brushed with the hazy sfumato of the air, the homes of Tuscany have long been the objects of lust and legend. This book affords a privileged

glimpse of Tuscan houses and interiors. Leading lights of the international arts and fashion scenes open their doors and bid us enter. The range extends from the simple casa colonia, the typical farmhouse of Chianti, via the majestic palazzo of the Puccis and the magnificent villa of the Siemens family to a house designed by Ettore Sottsass.
