From one of Americas most widely quoted poet, two classic works are once again available in beautiful illustrated picture book paperbacks. Birches beautifully illustrates Frosts celebrated ability to blend observation, imagination, and poetry. Caldecott medalist Ed Young uses his own powers of observation and imagination to create an

extraordinary series of paintings that complement and extend the poem.In 1916, Frost wrote a poem that he described as a Christmas circular letter. Christmas Trees, illustrated by distinguished artist Ted Rand, encapsulates the wisdom of a Vermont farmer and the beauty of his country.
