We are now living in post-Christian times, when Christianity no longer is the prevailing influence on the mind and heart of our culture. But we cannot compromise. More than ever before, it is imperative that Christians understand and embrace the biblical pattern for the church. Philip Graham Ryken knows that the changing face of America makes the need for the church to remain steadfast even more important. *City on a Hill* will provide readers with a deeper understanding of how to live for Christ in the twenty-first century: go back to the model set out in the first century. Sure to be an encouragement and challenge to anyone concerned about the effectiveness of the church today.
