After a phone call from the world beyond, Hua Lin starts her journey into karma confrontation. A series of events will change the life she thought she knew, as well as her views toward the unknown. She must first reclaim the part of her soul that was deceptively and unknowingly stolen from her. Entering the realm of the dead will be the first of many challenges that she will face in order to save her own physical and spiritual existence. She will meet and seek the help of those around her; seemingly coincidental, but it ultimately proves to be merely a 'game' of Karma in which we all play a part! Through the interactions between Hua Lin and those around her, we shall uncover the secrets of karma, and travel with her through the journey of life and death.
