著者:James V. Calvi

出版者:Prentice Hall

出版时间:2003-09-08

装帧:Paperback

isbn:9780130993113

This volume presents a clear examination of the philosophy of law within a political, social, and economic framework. Coverage introduces readers to operative legal concepts, everyday law practices, substantive procedures, and the intricacies of the American legal system. Eliminating confusing legalese, the authors skillfully explain the basics—from how a lawsuit is filed to the final appeal—and review English legal roots. The survey addresses history and the law, court organization, procedure and evidence, limitations, constitutional law, criminal law, administrative law, environmental law, torts, contracts, and property law. For those interested in a greater understanding of the American legal system.
