Withnail & I, the cult film and highly quotable debut by writer and director, Bruce Robinson, has etched itself into the hearts and minds of its varied audience since its release in 1987. In this book, an unofficial compendium of the film, the author presents an array of facts, anecdotes, and trivia regarding the production of the film as well as the colourful genesis of its plot and characters. Written in an informative and highly entertaining A to Z format, the book includes photographs and maps of the film's locations, and yields answers to the many questions asked about the film. Ralph Brown, who played the character, Danny, provides a foreword. An absolute must for any Withnail & I fan and a lively and enjoyable read for all film enthusiasts.
