Tintin is a world famous series with 75 years of staying power! It has influenced generations of comic artists. These Spanish editions feature some of Tintin's most memorable adventures! In *La oreja rota*, a museum statue has been stolen, and then returned. But Tintin realizes that the returned item is a fake and that there is a deeper secret behind the robbery. His investigation into the mystery of the missing statue leads him on an adventure in South America. In *El secreto del unicornio* and its sequel *El tesoro de Rackham el rojo*, Tintin joins Haddock and Professor Calculus on a hunt for pirate treasure, with the aid of a shark-shaped mini-submarine.

小时候的回忆

这个我看的彩图版，超级好看，比以前看的黑白的好看多了，就是贵，教授，船长，丁丁小队在这集成功集结。
