著者:Boris Vallejo

出版者:Thunder's Mouth Press

出版时间:2003-05

装帧:Paperback

isbn:9781560254867

From initial concept through to finishing touches, for the first time, Boris and Julie give an in-depth description of how they paint their masterpieces, taking the reader

through every stage of the creative process. As well as teaching the main techniques, the premiere fantasy-art team shows the reader how to use a wide variety of media to create a whole range of different types of painting, and explain how they create the effects for which they are so renowned, such as Julie's legendary "metal flesh," with its mix of fluidity and hardness contrasting with the sensual softness of the skin. Illustrated throughout in full color, the Practical Guide to Fantasy Art includes step-by-step photographs that Boris and Julie have taken as they've worked as well as a selection of their finished art appealing to art students and fantasy-art admirers alike.
