Pulled once again from the hip to the mainstream, this collection of fiction, nonfiction, alternative comics, and "anything else that defies categorization" (USA Today) is as fresh and bold as ever. Compiled by Dave Eggers and students from his San Francisco writing center, it's a "bouillabaisse of nonrequired reading that should be required" (Publishers Weekly). Contributors include Jhumpa Lahiri, George Saunders, William Langewiesche, Stephen Elliott, and others.
