How to Use Microsoft FrontPage 2000 visually steps you through everything you need to know in order to design, create, and administer sophisticated Web pages and sites. Up to 100 two-page spreads illustrate and clearly explain each FrontPage task, from entry-level, beginning concepts to sophisticated techniques for more advanced users.

Illustrations and figures lead you through each task with easy-to-follow directions and visual cues. With four-color on every page, Web page design and Web graphics topics are extensively and clearly illustrated throughout the book.
