Whose Justice? Which Rationality?, the sequel to After Virtue, is a persuasive argument of there not being rationality that is not the rationality of some tradition. MacIntyre examines the problems presented by the existence of rival traditions of inquiry in the cases of four major philosophers: Aristotle, Augustine, Aquinas, and Hume.

作者介绍:

Alasdair MacIntyre is a Scottish philosopher known mostly for his contributions to moral philosophy. He is currently a Senior Research Professor of Philosophy at The University of Notre Dame, Indiana, USA. His main contribution is in the area of virtue ethics, and his most important work is After Virtue published in 1981.
