The War of Souls has ended, but Krynn is still rife with conflict. The elven land of Silvanesti is no more, replaced by the minotaur colony of Ambeon. A new emperor sits on the throne in Nethosak, his dark Protectors backed by the magic of the Forerunners. Resistance to the empire is all but crushed.

The rebellion's last hope, Faros, struggles with personal demons. But, unexpectedly bolstered by the very gods he has renounced, the legitimate heir rises up against obstacles all too real as well as others fantastical. A plague of abominations descends upon Faros' s forces as they storm the capital...forcing a memorable showdown with the evil usurpers.

The trilogy that began with dire events of NIGHT OF BLOOD and continued with the epic struggles in TIDES OF BLOOD now arrives at this thrilling conclusion.
