RICHARD I'ANSON is the author of Travel Photography, the first book in this series. His photographs have been published worldwide in magazines including Wanderlust, Escape and Conde Nast Traveller. His work also appears in more than 300 Lonely Planet titles.

- o Cityscapes and aerials, architecture and interiors, public art and life on the streets
- o Taking both classic and original views of much-photographed icons
- o Exposure, composition and making the best use of natural and artificial light
- o What to take, when to go, preparing shot lists and finding the best vantage points

## 书评

下狠心去书店买了正版的，25个澳元，相当于人民币160块，薄薄的一个小册子，印刷倒是不错，照片也是比较传统的那些小风景，不过作者编排的很好，把可拍的潜在一条条的列出来，并附上有详细拍摄数据的照片及解说让读者一目了然。如果你一直头痛怎么拍一些跟普通旅游者视角不一样...
