"Sexy bitches" aren't about looks, they're about attitude. And attitude is what this book

is all about. Author Flic Everett offers up a snappy, smart, and sassy approach to sex in the 21st century. As fun to read as it is to put into practice, this book doesn't waste time with the same old sex advice about feeling comfortable with your body and communicating with your boyfriend. Bor-ing! Dishing the dirty truth on everything from foreplay and oral sex to sex toys and fantasy games, *The Sexy Bitch's Book of Doing It, Getting It, and Giving It* is about being creative, spontaneous, and skillful in your sex life. The author helps aspiring sexy bitches overcome inhibitions and reservations with real-world tactics ("If you can't say it out loud, text message his cell phone as he drives home from work"). Those ready for the next level are guided into the realm of adventurous sex with knowledgeable advice on how to get what they want.
