Poetry Anthology. Asian American Studies. This anthology includes selected works of some of the most active and dynamic contemporary poets writing in North America. Reflecting to varying degrees sensibilities based on ancestral Asian homelands and on lives in Canada and the United States, the poetry reproduced here is of a wide-ranging appeal and refreshing modernity, depicting a shifting, kaleidoscopic landscape of cultural and spiritual heterogeneity and individual interpretations. Includes works by Mei-Mei Berssenbrugge, Marilyn Chin, Chitra Banerjee, Garrett Hongo, Kimiko Hahn, Carolyn Lei-Lanilau, David Mura, Michael Ondaatje, Sasenarine Persaud, and Arthur Sze.
