

# The Age Of Reason

## The Age of Reason

I fear the following work will be  
most provoking. It irritates my  
opponents upon religion. You will do  
me justice to remember that I have  
always sincerely supported the  
rights of every man to his own  
opinion, however different that  
opinion might be from mine. He who  
doubts in another this right, makes a  
doubt of himself in his present  
opinion. Because his judgment  
doubts the right of thinking in  
the most honest and upright  
manner of men. And therefore I  
have no objection to any man's  
opinion, provided it is not a  
gross falsehood. You do me no  
harm in reading it.

**Thomas Paine**

With a biographical introduction by Philip A. Scott

著者:Thomas Paine

出版者:C Trade Paper

出版时间:2000-12-01

装帧:Paperback

isbn:9780806505497

Thomas Paine was a brilliant man who played a vital role in the American Revolution of 1776. This was the last book he wrote, which centers almost entirely around Christianity. To Paine, it made sense to question everything in order to make valid answers possible. He puts forth many questions in this book regarding Christianity, confronting many beliefs with pure and rational reason.

书评

Paine: 「I believe in one God, and no more; and I hope for happiness beyond this life.」  
如果神的存在超越了人类的理解，那么可以被表达和解释的经典又怎么会是“神的话语”呢？教条或许不过是人类一厢情愿的创作。  
Paine认为，真正的宗教是以理性去探究神创的万物规律...

首先，此書非常貴，打五折，大約一毛錢一頁。和潘恩的《人的權力》那本差不多。其次，美國是建立在反耶穌教的基礎上的。潘恩深刻的認識到了耶穌教的危害。因此禁止任何勢力進入政治。這在美國國民全是耶穌教的情況下，尤為可貴。再次，美國當時有個巨大的反耶穌的組織：共...
