A "How To" canine styling guide book designed for those who have absolutely no Dog Grooming experience, but wish to learn ... and earn!

How To Make Big Money Grooming Small Dogs is virtually a home study course in one volume. Written by a well known authority & Educational Director of one of the first State Licensed Dog Grooming Trade Schools in Pennsylvania and one of the first in the country. The author, with over 30 years of experience gives expert instruction and teaches the most amateur pet enthusiast how to control and style pets without the use of dangerous drugs, grooming posts and nooses, or inconsiderate treatment. It includes tips, tricks, and professional secrets never before disclosed to any except registered students. The book includes a FREE written consultation guidance form for any of the subject content, & introduces newly patented specialty tools for Groomers. The absolute amateurs guide to profitable, professional canine styling! END
