In a small café at a location so remote that it stands in the middle of the middle of nowhere, John finds himself facing a platter of food, and three questions on a menu.

Why are you here?

Do you fear death?

Are you fulfilled?

With the menu for reading material and the guidance of Casey, Mike, and Anne, he embarks on a journey that takes him from the executive suites of the advertising world to the surf of Hawaii's coastline, and many places in between. Along the way he finds out about life, himself, and just how much you can learn from a green sea turtle.
